## After School Sword Adventure

*This isn't your average After School Program... this is an ongoing adventure for young heroes!*

Here's how it works: We pick up your child (grades 1-5) from their school in our "Hero Van" and bring them to our 7200 square foot air conditioned facility in Burlington, located near the Burlington Mall. We break for snack and those kids who need to get homework done meet in our Study Room. You can choose how much of your child's homework needs to be complete before they begin their adventure. And we have staff who can provide academic assistance. Immediately following, kids pick up our safe Foam Swords and they enter into our magical realm called "Sidleterra" where they will fight monsters and villains, meet creatures from folklore, discover treasure and solve mysteries. Each day, the adventure picks up where it left off... so kids are never bored with the ever changing plot. Those who are too tired from a long day of school can opt for crafts that actually integrate into the storyline.

Now for the Parents: We help your child with homework before they jump into the adventure! Our adventures focus on teaching kids important life skills such as teamwork, leadership and creative problem solving. Our instructors are highly trained in our own Positive Coaching method which emphasizes improvement and fun over competitive winning. Our activities also foster cooperation, fair play and friendship.

You can drop by to pick up your kids as late as 6pm. Tuition is based on the school semester. Daily drop-ins are welcome depending upon available space – preregistration is required. We pride ourselves in outstanding staff-student ratios (starting at 1:6 depending on age group). We also provide coverage for school half days and scheduled days off including winter and spring break.

Call (781) 270-4800 or visit [www.MassachusettsAfterschool.com](http://www.MassachusettsAfterschool.com) today for more information and to register for a FREE WEEK of After School Program.
